

Your application via Femtec Campus Manual

Dear Applicant,

We are very pleased that you would like to apply for our Career-Building Programme. With this manual we would like to further explain the application process via our platform Femtec Campus. If you have any questions, please don't hesitate to contact Constanze Schultze, Talent Manager at Femtec, at 030/314-29137 or schultze@femtec.org.

You can access the application form via this link: www.femtec.org/en/application. Enter your name, e-mail address and university location here. You will then receive an e-mail including your user name and password. Now you can log in to the platform and start your application process. Click on the pencil to the right of the fill in the form.

Please enter all data in English. You don't have to enter your milestones in chronological order, as the database will automatically sort all entries by date.

Under "Application Documents" please create a short video pitch (description further below in the document) and paste the link to it. During the last exercise of the Assessment Center - the interview - you will receive a short feedback about this.

Application Documents

Please insert below a videopitch link.

VideoPitch "100 seconds for Femtec"

Please answer the following question in max. 100 seconds:

- Please describe your motivation to apply for Femtec's Career-Building Programme.

You are welcome to try something new and present unusual ideas. Please create the video in English.

Who will have access to your video?

If you upload your video, it will only be accessible to selected people who will participate in the selection process. These are employees of Femtec, your university and our partner companies who will participate as observers in the Assessment Center.

Please delete your video after your feedback interview following the AC.

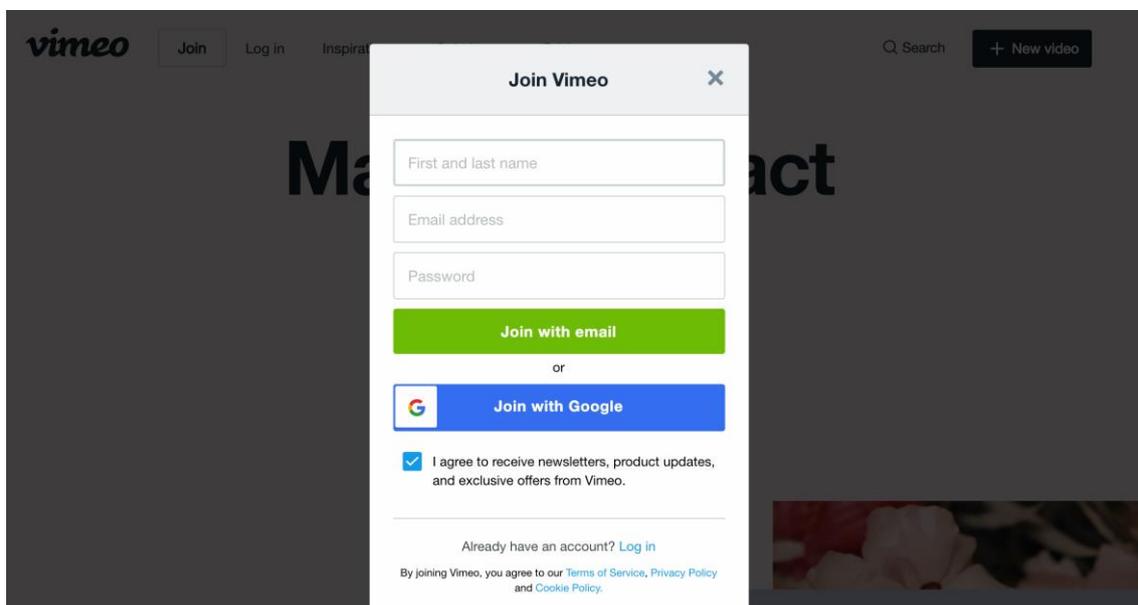

We hope you enjoy making the video and look forward to your "100 seconds for Femtec". Good luck!

How to technically implement this?

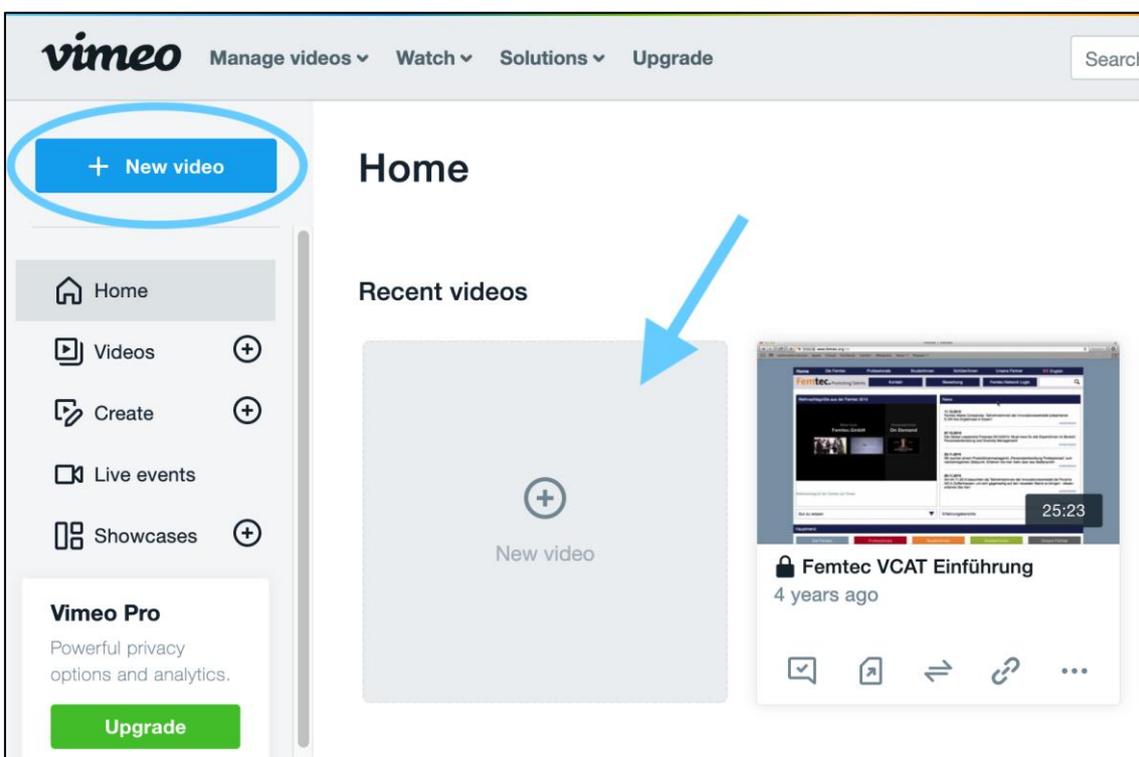

We recommend that you use the external portal Vimeo to create the video. You can link the VideoPitch on your Femtec Campus profile in the field "Video-Link". Please do not send a file.

Find the thorough instruction how to use Vimeo below.

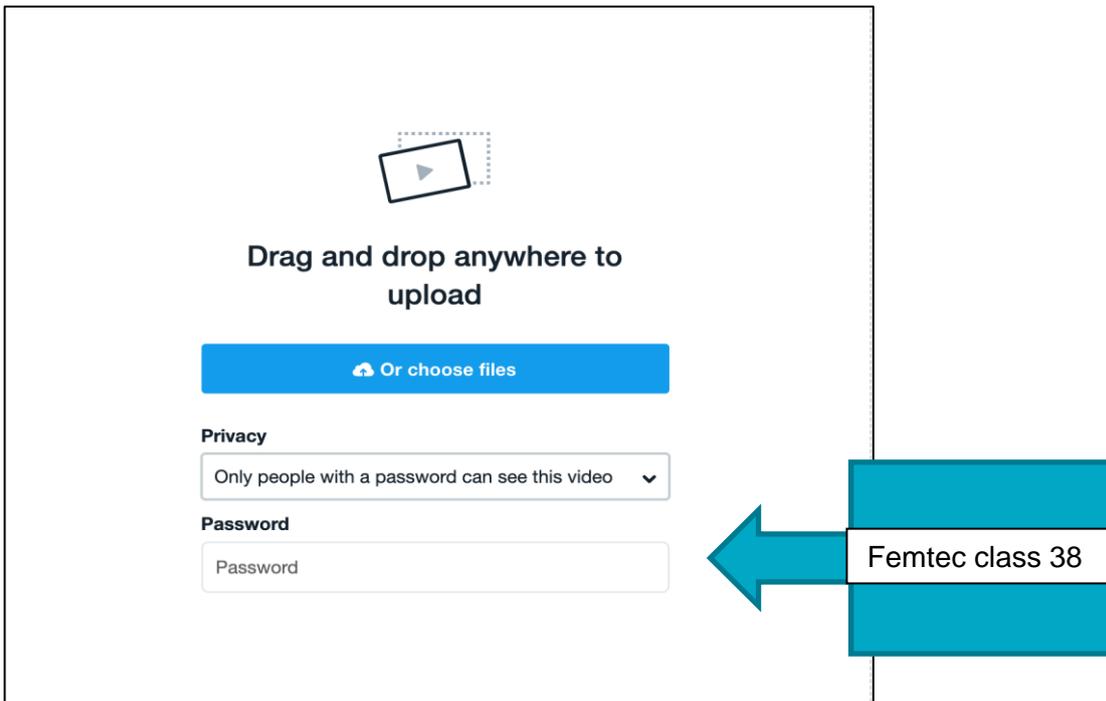

1. Please register for free on Vimeo.com.

2. After logging in on the homepage, "+ New video" appears on the left hand side, then the option "Upload video" appears.

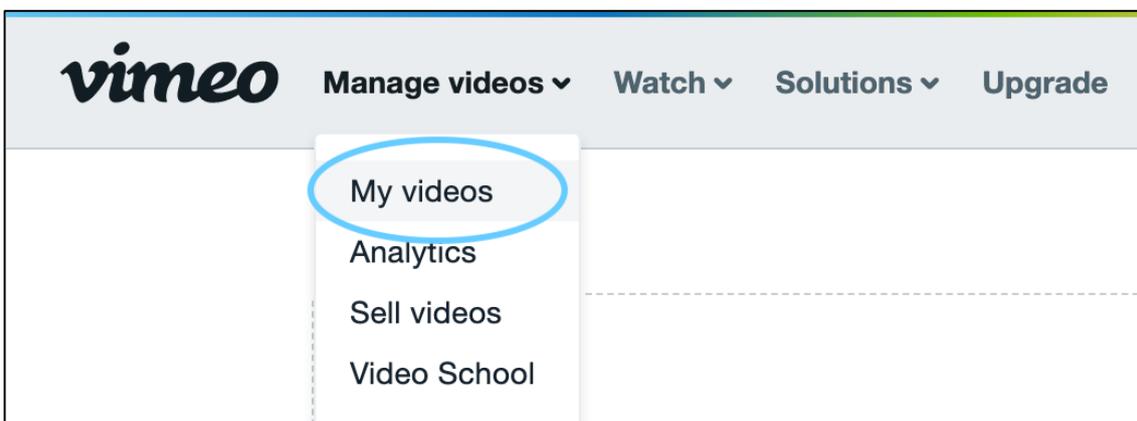

- Before you upload the video, for privacy reasons you have to select "Only people with a password can see this video" from a list and assign the password "femtec class 38". (Without quotation marks. Please use only this password so that we can watch your video)

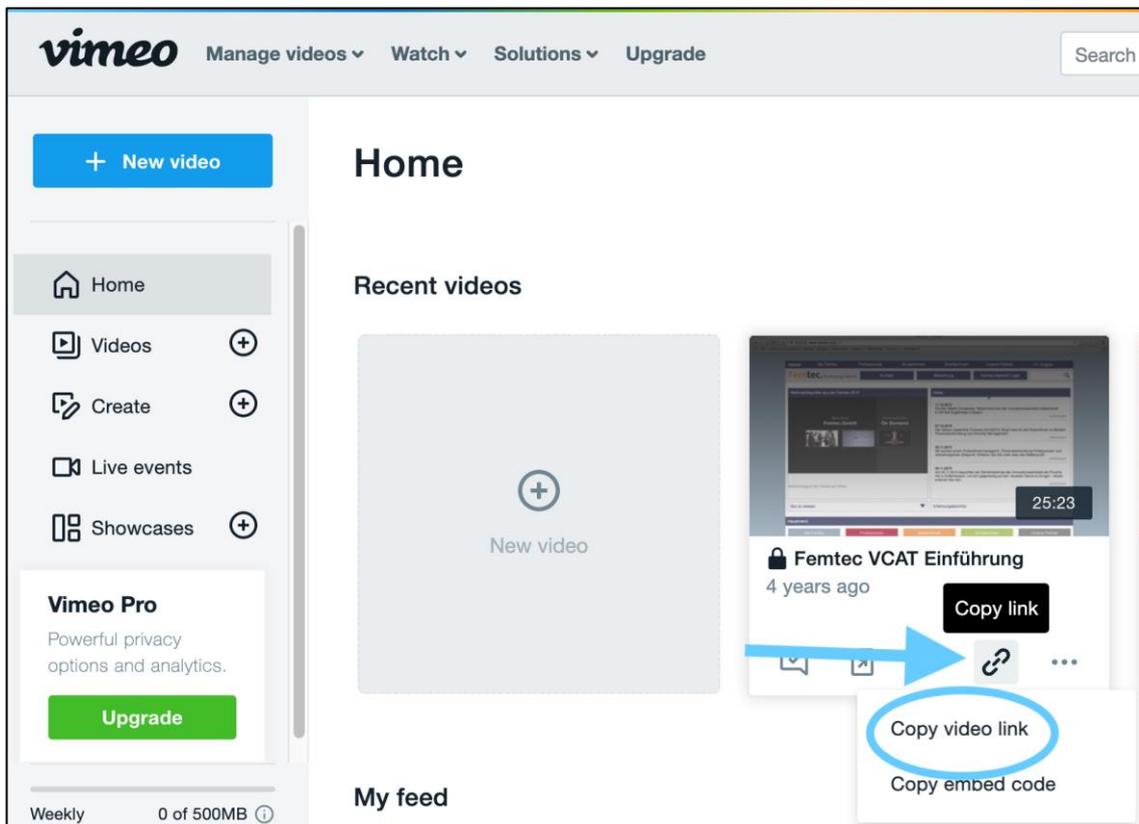

The screenshot shows the Vimeo upload interface. At the top, there is a play button icon and the text "Drag and drop anywhere to upload". Below this is a blue button with a cloud icon and the text "Or choose files". Underneath, there are two sections: "Privacy" and "Password". The "Privacy" section has a dropdown menu with the selected option "Only people with a password can see this video". The "Password" section has a text input field with the placeholder text "Password". To the right of the form, there is a blue box containing the text "Femtec class 38" with a blue arrow pointing to the password input field.

- After your "100 seconds for Femtec" video has been uploaded, go to "Manage Videos" and click on "My Videos".

5. Now you can click on the icon below your video and "copy video link" will appear, please copy this link into the "video link" field of your application profile.

Thank you very much!

Please upload your application documents (curriculum vitae, overview of grades, certificates, references etc.) in one PDF file.
